Turf

A Mud/Talker based around the code of Mero and Envy,
 offering privacy for its residents, whilst retaining MUD features.
 Original Diku created by Hans Henrik Staerfeldt, Katja Nyboe, Tom Madsen,
 Michael Seifert and Sebastian Hammer.

Further design and implementation by the Turf Development Team.

Email turf@turf.org with comments/queries/complaints.

For a dumb-link please put a ! at the end of your chosen name.

Title screen courtesy of Nog's artistic genius.
