● Please read the DVD pages in the magazine before using this disc.

This is a Future Technology DVD-ROM This disc has been thoroughly scanned and tested at all stages of production, but – as with all new software – we still recommend you run a virus checker before use. We also recommend that you have an up-to-date backup of your hard drive at all times. Unfortunately, Future Publishing Ltd cannot accept responsibility for any disruption, damage and/or loss to your data or computer system that may occur while using this DVD, the programs and data on it. Consult your network administrator before installing any software on a networked PC (or Linux box).

Defective discs In the unlikely event of your disc being defective please email our support team (support@futurenet.co.uk) for assistance. If you would prefer to talk to a member of our reader support team please call +44 (0)1225 822743.
Software problems If you have a query about using your disc's interface or content, please visit our reader support website located at www.futurenet.co.uk/support, where you can find solutions to many common problems. If you are still experiencing difficulties, you can email our reader support team at support@futurenet.co.uk for further assistance. If you do not have internet access please call +44 (0)1225 442244 between 9:30 am and 5:30 pm UK time, Monday to Friday. Please note that we can only provide basic advice on using the interface and installing software from the disc. Unfortunately we can't give in-depth help on the applications, or on your hardware or operating system. We are unable to support beta software.
