### Respect the Environment

Throwing away old or surplus discs?  
If you would like your CDs and DVDs to be recycled rather than put into landfill, please post them to:  
Polymer-Reprocessors,  
Reeds Lane, Moreton, Wirral, CH46 1DW  
Please respect the environment and dispose of waste plastic responsibly.

**This is a Future Technology DVD-ROM** Future Publishing Ltd cannot accept responsibility for any disruption, damage and/or loss to your data or computer system that may occur while using this DVD, the programs and data on it. Please note that we can only provide basic advice on using the interface and installing software from the disc. Unfortunately we can't give in-depth help on the applications, or on your hardware or operating system.

**Defective discs** In the unlikely event of your disc being defective please visit [www.linuxformat.co.uk/dvdsupport](http://www.linuxformat.co.uk/dvdsupport) for assistance. If you would prefer to talk to a member of our reader support team please call +44 (0)1225 822743.

**PLUS** Over 30 great apps and newbie guides

And much more – see [index.html](http://index.html) for full software descriptions
